SHORTENED STATUTORY PERIOD OF RESPONSE	MAIL DATE	DELIVERY MODE
3 MONTHS	03/20/2007	PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

If NO period for reply is specified above, the maximum statutory period will apply and will expire 6 MONTHS from the mailing date of this communication.

1. This application is ready for examination on the merits except for the issue presented immediately below.

A review of the application presented for examination indicates that there is supposed to be 25 claims, however the claim numbers proceed from 1-7 and then jump to 11-25. It appears claims 8-10 are missing from the file wrapper. This may be due to any number of circumstances either from Applicant's failure to provide said claims 8-10, or an issue propagated by the Office, for example, an error in the scanning process or the loss of the sheet containing claims 8-10.

Before examination commences, the status of claims 8-10 must be ascertained.

2. **Applicant is required to respond to this correspondence by filing a current listing of claims presented for examination including any amendments, additions or cancellations.**

3. Since the above-mentioned filing of a patent application appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

4. **Failure to respond to this notice will result in abandonment of the application.**

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel L. Greene Jr. whose telephone number is (571) 272-6876. The examiner can normally be reached on Mon-Fri 8:30am - 5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James P. Trammell can be reached on (571) 272-6712. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

6. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
